(Set up by an Act of Parliament)

President's Message

We are living in an age where geographical boundaries have little meaning. The informed and enterprising individuals in the society are ready to move to different countries in order to fulfill their career ambitions. Many of our Chartered Accountants have gone abroad and are making significant contributions to the business and industry there.

In fact, some of the leading organizations in a number of countries seek Indian Chartered Accountants on account of their expertise in the areas of accountancy, finance, taxation, auditing, business strategy, mergers, acquisitions, transfer pricing, business valuation, and so on. The rigorous education and training help our members to acquire knowledge and skills well suited to these business organizations. Our members also acquire local knowledge and easily acclimatize themselves in the different environments.

The Committee for Members in Industry (CMII) of ICAI is acting as an indispensable link between the aspiring Chartered Accountants and recruiting organizations. I compliment CA. Charanjot Singh Nanda, Chairman, CA. Shyam Lal Agarwal, Vice-Chairman and other members of the committee for conceptualizing a focused international placement programme for the organizations operating outside India.

I welcome all the leading organizations operating worldwide to grab this golden opportunity to hire finance professionals through this initiative of ICAI.

With best wishes,

CA. Manoj Fadnis

President
